

Name: Nada Youssef Mahfoud
Date of born: 25 / 4 / 1966
Address: Syria – Lattakia
E-mail: nadasakk@gmail.com

Certificates

1997-2001: Ph. D. of surveying and geodesy

Title: "Advanced Software for surveying and Geodesy"

From: Alexandria University /Egypt

1994-1996: M. Sc. of surveying and geodesy

**Title: "Accuracy in positioning of new stations by different methods
in horizontal control networks"**

From: Alexandria University /Egypt

1985-1989 :Certificate of civil engineering

From: Tishreen University

1983-1984: baccalaureate

Experience professional

**Assistant professor of surveying and geodesy in Tishreen university / Faculty of
civil engineering / Department of surveying and geodesy:**

Lectures (2001-2018):

- 1- "Geodesy" / Faculty of Science / Geology Department
- 2- "Geodesy 1" / Faculty of Civil Engineering / Topographic Department
- 3- "Geodesy 3" / Faculty of Civil Engineering / Topographic Department
- 4- "Cartography" / Faculty of Civil Engineering / Topographic Department
- 5- "Cartography" / Faculty of Civil Engineering / Topographic Department / Master
- 6- "Adjustment of Networks" / Faculty of Civil Engineering / Topographic Department / Master

Books:

- 1-"Geodesy"/ Faculty of Science / GeologyDepartment /2004-2005
- 2-" Cartography"/ Faculty of Civil EngineeringTopographic Department/2011-2012

Papers:

- 1- " Studying and Programming Transformation of (3-D) Coordinates from GPS into Stereographic in Syria"/2009
- 2- "Studying and Programming the Pre-Analysis of Surveying Traverses Accuracy"/2010

Supervisor of M. Sc. :

- 1- " The Best Design of Surveying Networks by Using Matrix Design"
- 2- " Using the Technique of Laser Measurements to Monitor the Horizontal Deformation of Sructure"

Programming :

- 1- Delphi
- 2- Matlab

Training:

Using GNSS in Civil Works

6/11/2018
